Subject: Discussion and Recommendation: Establish No Parking Any Time on the north side of W. St. Paul Avenue from 140 feet east of N. Prairie Avenue to the corner of Fairview Avenue.	

Details:
Referral was made by the Public Works department. Work would involved installing No Parking signs on a 1 block section of St. Paul Avenue just east of N. Prairie. The B&G committee discussed this item and voted unanimously to approve the installation.

Options & Alternatives:
Discuss whether to approve this request. This request is in response to some recent complaints about drivers not being able to "bypass" around left turning vehicles because a vehicle is parked on the north side of the street. Upon an operational review of the intersection, it has been determined that it would be safer for the traveling public if there was no parking on this section of St. Paul Avenue.

Financial Remarks:
. The cost of installing this is expected to be \$100 and covered by the B&G Sign Budget (3310.54140)

Executive Action:
The resolution for installing these signs will need to be executed by the Mayor and Clerk after the Council Meeting

Committee Recommendation:
The Buildings and Grounds Committee approved this item at their September 14, 2015 meeting. This item will be under the October 6, 2015 Common Council consent agenda
