Subject: New lawn watering credit

Hi Alex,

My name is Emily Erdmann and I live in the new Howell Oaks subdivision in Waukesha. Last summer we got our landscaping done which required lots of watering. This summer we had our landscaper come back to correct some deficiencies which required a moderate amount of watering. My neighbors just told me about a credit I could request for watering a newly seeded lawn. Would we still be able to request this credit based off of the water usage from last year? I believe we watered heavily last year between June and July so it would have been reflected on the September bill.

Our address is 3676 Olde Howell Rd.

Thanks,
Emily
