On may 23rd at about 12:30 am i was driving up E morland in waukesha. There was a spike strip that had been left out from a high speed chase. I didnt have the stopping distance to avoid the strip as i had a vehicle next to me so i couldn't swerve to avoid. An officer arrived shortly after and retrieved the spike strip and called a tow truck to get the car to a shop. I didnt get the officers name all he gave me was a phone number to call the police department and a police report number. Due to the spike stip i blew out 2 tires. passenger side front and rear will have to be replaced per tires plus in waukesha.

Kelly = This is a strange one. On 5/23 @ Midnight we

responded to this - for CPD. I think

this was an innocent party hitting

Spike strips. Our night dispatcher was

told that we should tow to Tires Plus

at that CPD was going to pay. So

I'm sending to you.

So CPD owes \$147.40
