RE: 12/18/23 PRFB Agenda Item - Approve the purchase of 16' Cut Wide Area Mower.

This request is for the final approval of \$167,199.50 to purchase a replacement wide-area mower. The replacement machine is a Toro 5910 (T4), a 16' wide cut machine, an exact replacement for what is currently being used. This machine was bid out through Sourcewell purchasing, which has been approved by the Common Council and accepted by the Finance Department as an alternative way to bid on equipment. Attached you will find supporting documentation. This was approved in the 2024 CIP Fleet Budget with a budget of \$216,000.

Thank you,
