**Details:**

Waukesha Water Utility is being included in this Wisconsin DOT project contract as a non-participating entity, which allows the water main components to be bid and completed as part of the project. All work is related to offsets due to the location of new storm sewer or adjustments of our facilities due to grade changes in the proposed roadway.

**Recommended Motion:** Move to approve the water main related work on the Waukesha West Bypass project from Fiddlers Creek to Northview, for an estimated cost to the Utility of \$215,000.00.
