<b>Subject:</b> Approve No Parking Any Time on both sides of Walden Circle from the south lot line of 3028 to the south lot line of 3035 Walden Cir.	

**Details:**  
This referral was made by Public Works and the Fire Department. The Fire Department has requested No Parking on both sides of Walden Circle to insure that no vehicles are parked that might prohibit emergency vehicles. A recent fire call to Walden Circle was not completed because the fire truck could not make it around the circle portion of the street because cars were parked there. Due to the tight geometry of the curved street, parked cars will impede emergency vehicles. Staff agrees with placing no parking signs to insure safe passage of emergency vehicles. The committee reviewed this item and approved it unanimously.

**Options & Alternatives:**  
Discuss whether to approve this request.

**Financial Remarks:**  
The cost of installing these no parking signs will be about \$200 total and would be covered by the 2016 B&G Sign Budget (3310.54140).

**Executive Action:**  
The resolution for approving this speed limit change will need to be executed by the Mayor and Clerk after the Council Meeting

**Committee Recommendation:**  
The Buildings and Grounds Committee approved this item at their August 15, 2016 meeting. This item will be under the September 6, 2016 Common Council consent agenda.
