B. [ID#18-1177](#) Please approve installation of a Yield Sign on westbound E. Sunset Drive right turn to Tenny Avenue.

Recommendation: Referral was made by Ald. Johnson. The concern is vehicles making no attempt to slow down or yield on westbound E. Sunset Drive as they turn right to Tenny Ave. Approval of this request will have a Yield sign installed for the westbound to northbound right turn. Installing a Yield sign is an appropriate traffic control method for right turn lanes.

- C. [ID#18-1178](#) Please approve installation of an All Way stop at the intersection of Butler Drive & Harvest Lane.
- Recommendation:** Referral was made by Ald. Thieme. Residents have requested an All Way stop on Butler Drive at Harvest because there is speeding traffic on Butler Drive and hard to make turn from Harvest. Engineering staff has done an initial review of this item and will request additional time to complete a study to determine volume of traffic, speeding of traffic and if other methods may be more appropriate.
