Details:
The Fire Department is seeking approval from the Finance Committee and Common Council to review and approve an agreement between the City of Waukesha Fire Department and Lakeshore Technical College. This agreement would allow the Fire Department to be a host ride along site for the Paramedic Program at Lakeshore Technical College. Students would be able to complete the program required field experience with our practicing paramedics. This agreement will allow paramedic students the opportunity to assess and treat patients in the field under their State of Wisconsin training permit and through LTC's liability coverage. This will also provide the Fire Department with recruitment opportunities. Additionally, this will allow a recruit Firefighter to complete their Paramedic training with LTC.
