| Committee: Landmarks Commission | Meeting Date: 9/4/2024 |
| Item Number: ID#24-10610 | |
| Subject: Update on the pending application to adjust the boundaries for the individual National Register listing for the Senator William Blair House. | |

Details: After further discussion, staff at the State Historic Preservation Office and the National Parks Service have recommended that the City re-submit the boundary decrease application for the Senator William Blair House as a full new National Register nomination. The City plans to follow their recommendation.

This will necessitate hiring a historic preservation consultant to do research and complete the application, and it will take at least several months. The consultant will be employed by the City for the purpose of completing the application properly. Once that application is completed and submitted to the Historic Preservation Review Board, the Landmarks Commission will have the option to comment on it.
