MEMORANDUM

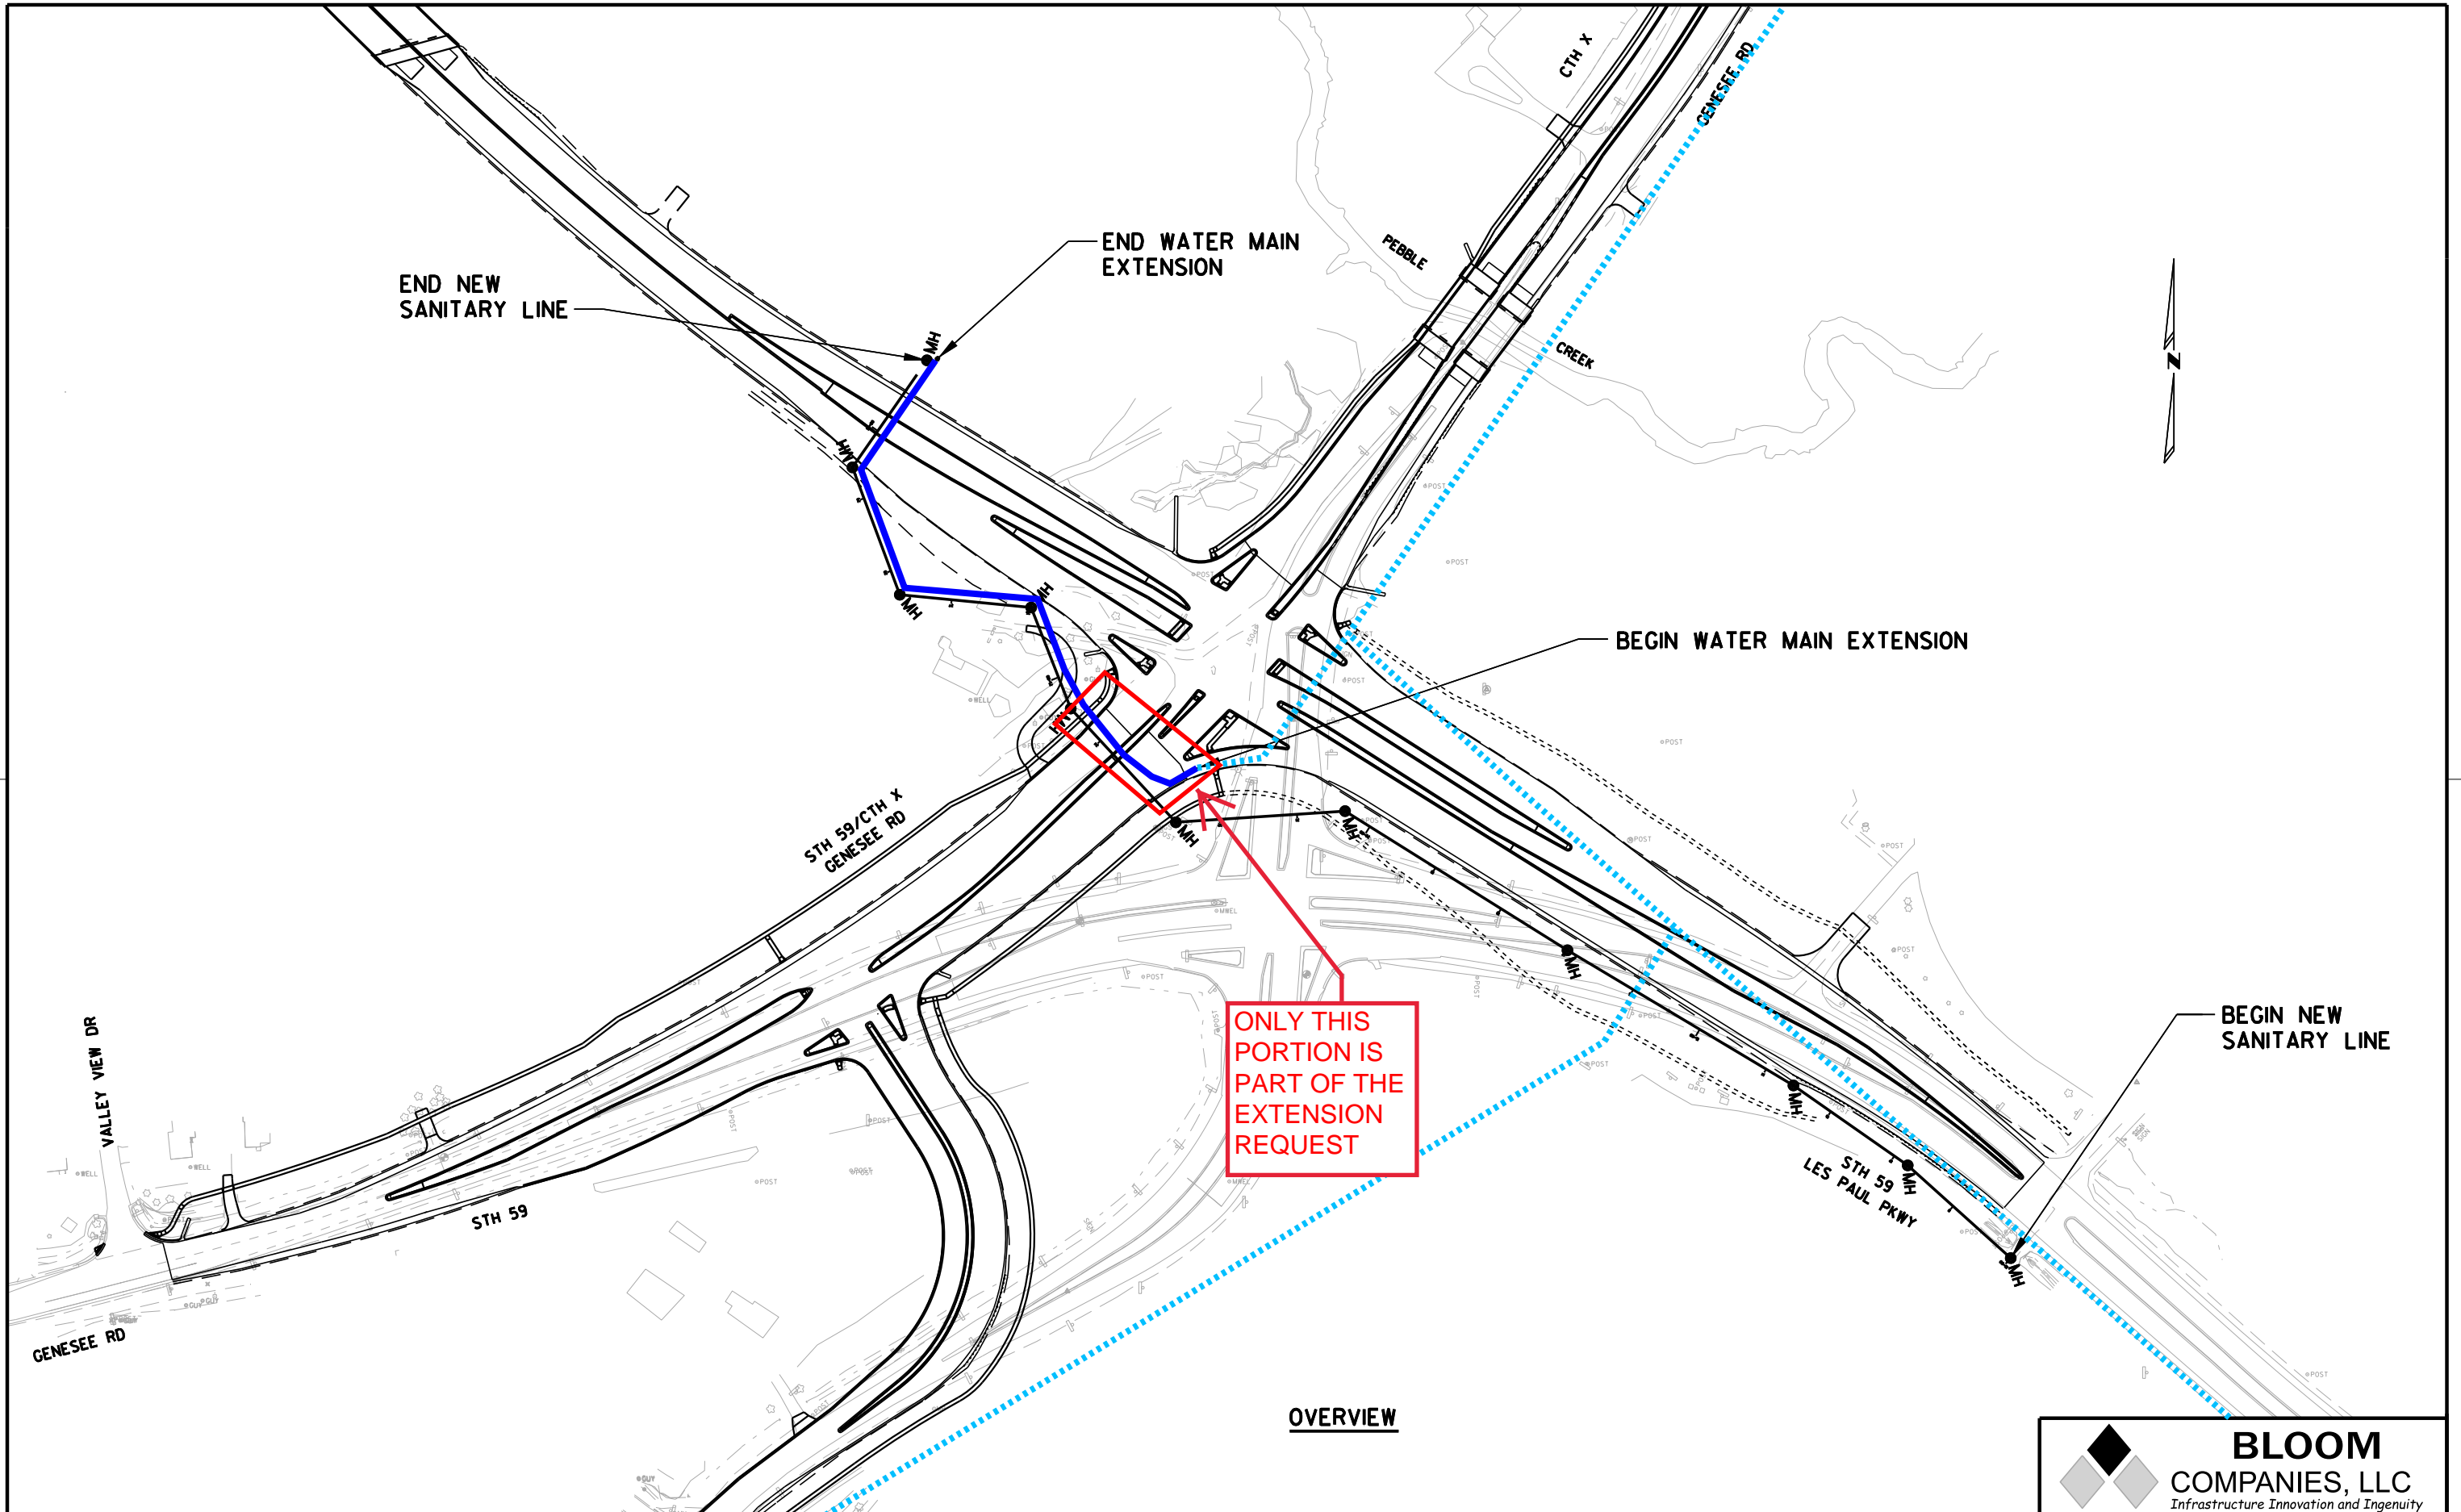

Date: February 21, 2019
To: Dan Duchniak, P.E.
From: Chris Walter, P.E.
Re: STH 59 & CTH X – Water Main Extension

On January 18, 2019, Smart Realty requested a water main extension at the intersection of STH 59 and CTH X. The developer is working with Wisconsin DOT to ensure public utilities cross the West Bypass before pavement is installed. The extension will allow for future service to a Parcel that is owned by Smart Family Trust without impacts to the traveling public. They are proposing to extend approximately 200 feet of 12-inch water main. All design comments have been addressed and approved by the Utility. The project will take place fully within the public right of way, so no easement is needed.

The fact sheet is also enclosed with this memo.

Recommended Motion: Move to approve of the water main extension request for Smart Realty at the intersection of STH 59 & CTH X, at no cost the Utility.

Enc.

ONLY THIS PORTION IS PART OF THE EXTENSION REQUEST
