Subject: Approval to Reinstate Bus Stop at Washington Ave. at Summit Ave.	

Details:
 This item is to seek the approval to reinstate the bus stop at Washington Ave. just south of Summit Ave. on the east side of the street. Transit staff has just recently learned that a visual impaired student who lives in the home in front of the bus stop is planning on starting to use the bus to travel to college in the Fall. The stop was authorized for elimination and a stop at Washington at Lemira was proposed to replace it. Having to travel to Washington at Lemira for this student would be too much of a burden. This is an Americans with Disabilities Act (ADA) concern and reinstating the bus stop at Washington at Lemira will accommodate the new passenger.

Options & Alternatives:
 No alternatives. This is an ADA issue and the resolution would be to reinstate the bus stop.

Financial Remarks:
 The bus stop had not been removed yet so reinstating would not incur any cost.

Executive Recommendation:
 Recommend approval.
