Re: Proposal to Perform Engineering Design Services for the Noise Wall Design
CTH TT Waukesha Bypass
Waukesha County
ID: 2788-00-02

Dear Mr. Damien:

Bloom Companies, LLC (Bloom) appreciates your consideration of our qualifications provide design services for the noise measurements, modeling and Noise Wall at the Western side of Waukesha Bypass, County TT, between Woodridge Lane and Joanne Drive in Waukesha County. We have reviewed details of the project and selected team members that offer relevant expertise to successfully deliver this project.

We propose to do the first part, - noise survey and analysis including electronic modeling and preliminary Noise Wall design to allow progressing into Public Involvement Process as required. The following two parts are only "if authorized" by City based on the results from the previous step:

- (1) For Noise Survey and Analysis the actual cost up to \$14,214.23 plus a fixed fee of \$1,062.20, not to exceed \$15,276.43 in total.
- (2) If Authorized for Public Involvement Process the actual cost up to \$11,707.84 plus a fixed fee of \$910.05, not to exceed \$12,617.89 in total.
- (3) If Authorized for Noise Wall Design and Structure Plans the actual cost up to \$17,457.87 plus a fixed fee of \$1,357.00, not to exceed \$18,814.87 in total.

As Project Manager, I will use my 31 years of experience to manage the project team and coordinate with affected property owners, the City, County, WisDOT, agencies and utilities. Our team provides the experience, communications skills, and approach to address stakeholder questions/concerns in order to bring everyone together for this important endeavor.

We are excited for the opportunity to provide our complete package of engineering services, and look forward to teaming with you on this project. I invite you to contact me with any questions regarding this proposal.

Respectfully submitted,
BLOOM COMPANIES, LLC
