RE: 2/16/15 PRFB Agenda Item - Approve the purchase of a Large Capacity Brush Chipper for \$51,715.40

This request is for the final approval to purchase a replacement chipper. This replacement model is a Brush Bandit Model 1590XP with the capacity to chip logs up to 18" in diameter. This purchase will be made through the **National Joint Powers Alliance** which is a nationally awarded contract similar to the state bid used by municipalities across the country. This purchasing agency has been approved by Common Council and the Director of Finance. The City of Waukesha is a member (I.D. # 31003). Brush Bandit was awarded the contract for 2014 – 2017.
