Subject: Annexation of 12.94-acre parcel of land in Town of Waukesha	

Details:
The City currently owns a 12.94-acre parcel in the Town of Waukesha, along River Road, on which the Water Utility has five test wells. These wells may be important for the City's future water needs, and it is preferable that they be within City limits and subject to City jurisdiction.

Options & Alternatives:
There is no disadvantage to annexation, so an alternative need not be considered; however, the only alternative is simply not to annex the parcel.

Staff Recommendation:
Staff recommends the 12.94 acres of land be annexed into the City at this time.
