  - b. Applications that wish to be included in the allocation process (see below) must be submitted by October 13th of the year prior to use.
  - c. Applications submitted after October 13th will be time stamped and reviewed after the allocation process has taken place.
2. It is the rental group's responsibility to ensure **all** park rules are followed by all patrons using the facilities. (see Appendix B)
3. **Non-Resident Surcharge:** \$25 per day, per facility
  - a. Non-resident is defined as a person who does not reside or own property within the corporate limits of the City of Waukesha (in general, does not directly contribute to the City of Waukesha property taxes). Please call the WPRF office should you have questions regarding residency issues.
4. No subleasing of athletic facilities is allowed under any circumstance. Subleasing of fields will result in the revocation of any permit indefinitely, pending an investigation which may end the season.

## **B. Priority Group Classifications**

**Use of Athletic Facilities will be allocated in the following priority:**

**Priority 1** - City-sponsored or co-sponsored events. This includes all Department athletic programs and leagues.

**Priority 2** - Events or activities sponsored by Carroll University for Frame ball diamond.

**Priority 3** - WPRF Partners.

**Priority 4** - Non-profit youth organizations. The organization must be a City of Waukesha-based community sports organization.

**Priority 5** - Non-profit adult organizations. The organization must be a City of Waukesha-based community sports organization.

**Priority 6** - All other youth and adult users. This includes for-profit organizations, tournaments, club teams, clinics and camps with individual or team participation fees.

## **C. Allocation Process**

1. The allocation of fields will follow the guidelines of this document. Once allocations are determined by the Department, allocation will not be changed during the season. **WPRF partners, youth, and adult organizations need to contact WPRF directly with special requests and not among one another.**
2. If two or more organizations in the same priority level submit competing applications, the department has the discretion to allocate in the best interest of the City.
3. The Department reserves the right to adjust the athletic facility allocation process as needed to address recognized needs or resolve conflicts.
4. The process for the allocation of Athletic Facilities begins with a letter being sent to all recognized sports organizations.
5. Once the letter is received, all organizations will have a specified time to complete their athletic application.
6. After the specified time to receive requests has past, the Department staff will begin the allocation process of assigning Athletic Facilities, dates and times to the various organizations based on the priorities in this policy. (See priority group classification). Allocations will be conducted in as fair and equitable manner as possible. However, the Department has the discretion to allocate in the best interest of the City. **It may not be possible to grant all requests.**
7. Once completed, a mandatory organization meeting will be held with all organizations outlining the allocations. Organizations will need to bring the following items to secure their permit:

- a. Indemnification
- b. Proof of Insurance (sample in Appendix H)
- c. \$200 non-refundable application fee (to be applied to balance)

## **D. Athletic Field Permit**

1. **Athletic Field use permits** are issued following the allocation meeting (providing organization submitted indemnification, proof of insurance and non-refundable application fee). A permit is issued only after the Department has approved all or part of the request, all required documents are submitted, proof of insurance has been shown and an application has been signed. **A request does not constitute approval.**
2. A field use permit will not be issued if there is any balance due for prior field use.
3. Tax exempt organizations must complete Wisconsin Sales Tax exemption certificate. (See Appendix G)

## **E. Reserving an Athletic Facility**

### **1. How to Reserve**

**Example: For a 7:00 PM game, the rental start time should include time for warm-ups and clean up.**
- c. After the permit has been issued, bring your permit with you for all reservation dates.
