Details:
 The original bid did not include a pay item for a detour.

Extra Item No. 1 – 1 Traffic Control – Detour @ \$7,850/Lump Sum

The purpose of the detour is to keep both the traveling public and construction workers safe, by rerouting vehicles not accessing their homes or local businesses around the construction zone.

Options & Alternatives:
 As an alternative, we did receive a quote from the contractor who is maintaining the existing detour for WE Energies. They quoted us \$11,025.13.
