Subject: Discussion and Recommendation: Establish No Parking Any Time on the north side of Summit Avenue from Sylan Terrace to N. Moreland Blvd.	

Details:

Referral was made by Public Works. Activity would involve removing street parking on the north side of Summit Avenue from Sylan to N. Moreland Blvd. The changes are necessary because the roadway will be reconstructed in this section and, due to large traffic volumes, it will not be safe for parking. The committee discussed the item and approved it unanimously.

Options & Alternatives:

Discuss whether to approve the No Parking zones.

Financial Remarks:

The cost of installing signage to declare the No Parking zone will be covered by the Summit Avenue reconstruction project.

Executive Action:

The resolution for approving this parking zone will need to be executed by the Mayor and Clerk after the Council Meeting

Committee Recommendation:

The Buildings and Grounds Committee approved this item at their June 15, 2015 meeting. This item will be under the July 7, 2015 Common Council consent agenda.
