Subject: Please approve modification to the existing No Parking Zone established in February 2016, under item ID#16-238 to be the following: Establish a No Parking Any Time on the west side of Baxter Street from 110 feet to 180 feet south of the centerline of the southern-most driveway of the northern Schutze parking lot.	

Details:
This item was referred by Public Works. A new crosswalk was established on Baxter Street near the main entrance to the Schutze building. As a result, existing No Parking zones need to be adjusted. The Department of Public Works does not have any issues with this item.

Options & Alternatives:
None

Financial Remarks:
The cost for installing updated parking signing would be around \$200 and covered by the 2020 Building and Grounds Sign Budget (3310.54140). It should be noted that some of the existing signs will be reused.

Executive Recommendation:
The Department of Public Works recommends approval.
