<b>Subject:</b> Install a pedestrian crossing signage or markings on Big Bend Road from the La Casa Village Apartments to the bus stop (1400 block of Big Bend Road).	

**Details:**

This item was brought forward by Ald. Johnson in response to resident request to have a painted / enhances crosswalk from the apartments across Big Bend Road to the west side where there is a bus shelter. In order to construct this improvement, the appropriate signing and a crosswalk marking would need to be installed. Existing handicap accessible ramps are there. Engineering staff has reviewed the crossing in the field and determined that enhancements with signing and marking would be acceptable and the vision of the driver to the pedestrian is not blocked by the hill. The total cost to install signing and marking for the pedestrian crossing would be around \$400.

The Building and Grounds Committee voted unanimously to approve this item.

**Options & Alternatives:**

None

**Financial Remarks:**

The cost for installing signing and marking will be around \$400 and covered by the 2020 Building and Grounds Sign Budget (3310.54140).

**Committee Recommendation:**
