Common Council Item Number: 17-0462	Date: 3/29/17
Submitted By: Ron Grall, Director of Parks, Recreation & Forestry r	City Administrator Approval: Kevin Lahner, City Administrator
Finance Department Review: Rich Abbott, Finance Director Click here to enter text.	City Attorney's Office Review: Brian Running, City Attorney
Subject: Request received from WE Energies to recommend approval of proposed easement associated with the West By-Pass Project and Kisdon Hill Park.	

Details:
WE Energies proposes to install in two locations permanent guy anchors along the west edge of Kisdon Hill Park and the proposed easement would accommodate that installation. City staff from Parks and Engineering Departments met on site with WE Energies to review the proposed easement plan. It was determined that the proposed relocation was necessary and could be accommodated and would support planned improvements within the rights-of-way (ROW) including the new Bike-Ped Trail extension.

Options & Alternatives:
Other viable options were discussed, none identified.

Financial Remarks:
Associated costs with the easement would be the responsibility of WE Energies.

Executive Action:
Approval of proposed easement associated with the West By-Pass Project and Kisdon Hill Park.

Committee Recommendation:
This item was approved (recommended to Council) 7-1 vote by the Parks, Recreation & Forestry Board at their 3/20/17 regular meeting.
