

## DEPARTMENT OF PUBLIC WORKS

Fred Abadi, PhD, PE, Director  
fabadi@waukesha-wi.gov

February 5, 2018

MEMO TO: Board of Public Works

FROM: Jeff Harenda,  
Clean Water Plant Manager

SUBJECT: Bio-solids Hauling and Land Application Bids

A total of four bids were received for the hauling and land application of bio-solids for the Department of Public Works Clean Water Plant on February 2, 2018. Staff recommends acceptance of the low bid from United Liquid Waste of \$18.50 per ton. United has been the contractor for the City for the last five years and has performed adequately. The last two years approximately 5,300 tons were hauled and applied each year. The previous price paid was \$12.49 per ton. The additional expense will increase the overall program cost by \$31,000 per year.
