Design shown is just clip art that was copied and pasted. I'm sure you have your own ideas of how to place wording and pictures.
 Cost will depend on how much hand-etched artwork we do. This design shows 5 custom hand-etched pictures; 3 with color, 2 without color.
 Based on these parameters, the total cost for all the granite, engraving, hand-etched artwork and installation is \$79,000.00.
 Price may vary somewhat as designs are chosen.

This space can be used for words of dedication or whatever you choose.

More color etchings can also be done here.

The images below were inspired by the saluting officer on the Passaic County picture. Our artists could hand-etch images in this manner. (They would not have white backgrounds like these.)

*When I am called to duty, God, wherever flames may rage,
 give me strength to save a life, whatever be its age.
 Help me embrace a little child before it is too late,
 or save an older person from the horror of their fate.
 Enable me to be alert, and hear the weakest shout,
 quickly and efficiently, to put the fire out.
 I want to fill my calling, to give the best in me,
 to guard my friend and neighbor, and protect his property.
 And if according to Your will I must answer death's call,
 bless with your protecting hand, my family, one and all.*

*Lord, I ask for courage, Courage to face and conquer my own fears,
 Courage to take me where others will not go.
 I ask for strength, Strength of body to protect others,
 Strength of spirit to lead others.
 I ask for dedication, Dedication to my job to do it well,
 Dedication to my community to keep it safe.
 Give me, Lord, compassion, for all those who trust me and
 compassion for those who need me.
 And please, Lord, through it all, be at my side.*
