Subject: Adjust existing No Parking Any Time on the south side of Arcadian Avenue to be from the corner of Pleasant Street to 70 feet east of corner of Pleasant Street.	

Details:
This item was referred by Public Works. An existing bus stop is located on the south side of Arcadian Avenue just east of Pleasant Street. When the buses stop, they cannot properly move forward onto Arcadian Avenue when there is a car parked immediately east of the bus stop sign. This item will establish additional No Parking east of the bus stop and still allow for one car to park before the next driveway. This extra room will allow buses to pull out and not have to back up.

The Committee voted unanimously to approve this item.

Options & Alternatives: None.

Financial Remarks:
The cost of installing signs to adjust this parking zone will be about \$100 total and would be covered by the 2017 B&G Sign Budget (3310.54140).

Executive Action:
If approved by Council, the resolution for approving the installation of these signs will need to be executed by the Mayor and Clerk after the Council Meeting.

Committee Recommendation:
The Buildings and Grounds Committee approved this item at their July 31, 2017 meeting. This item will appear under the Consent Agenda for the August 15, 2017 Council meeting.
