

LEONARD J. MILLER

04/27/2026

Dear Mayor Halvensleben

I am writing to express my interest in being appointed to the position of Alderman for District 11. As a committed resident of this community, I am eager to contribute my time, skills, and perspective to serve the needs and priorities of our neighbors.

I have lived in the City of Waukesha for over 60 years, I have been in my present home for 21 years, and during that time I have developed a strong appreciation for the values, challenges, and opportunities that shape our community. My professional background in sales and my involvement in being an alder, working for the Waukesha Park Recreation and Forestry, and serving on the Board of Review, have prepared me to approach local governance with both practical insight and a collaborative mindset.

If appointed, I would prioritize open communication, transparency, and responsiveness to residents. I believe effective leadership at the local level requires listening carefully, balancing diverse viewpoints, and making decisions that reflect both immediate needs and long-term sustainability. Key issues I am particularly interested in economic development, public safety, infrastructure and sustainability.

I am committed to working constructively with fellow council members, city staff, and community stakeholders to ensure that District 11—and our city as a whole—continues to thrive. I would be honored to serve in this role and represent the voices of our residents with integrity and dedication.

Thank you for your consideration. I would welcome the opportunity to discuss my qualifications further.

Sincerely,

Leonard Miller

Leonard J. Miller
