Subject: Establish No Parking Any Time on the east side of Airport Road adjacent to the Waukesha County Mental Health Center (WCMHC) at the following locations: - from 25 feet south to 25 feet north of center of the southern most driveway to WCMHC - from 90 feet north to 130 feet north of the center of the southern most driveway to WCMHC - from the southern driveway of 1601 Airport Road to 25 feet south of the northern most driveway of the WCMHC	

Details:
This referral was made by Public Works by request of Waukesha County. The County has requested installations of some parking zones to insure that parked cars on Airport Road do not block or interfere with driveway egress and does not block their mail box / fire hydrant area. At some times, events at WCMHC require some visitors to parking on Airport Road and these parking zones will ensure more orderly parking. Staff has talked with the County and they have agreed to pay for the sign installations.

The Buildings & Grounds committee voted unanimously to approve this item.

Options & Alternatives:
Discuss whether to approve this request.

Financial Remarks The cost of installing these no parking signs will be covered by Waukesha County.

Executive Action:
If approved by Council, the resolution for approving the installation of these signs will need to be executed by the Mayor and Clerk after the Council Meeting.

Committee Recommendation:
The Buildings and Grounds Committee approved this item at their February 06, 2017 meeting. This item will appear under the Consent Agenda for the February 23, 2017 council meeting.
