Subject: PC24-0556 Consultation – Summit Avenue Senior Housing – A request from Tukka Properties to introduce a proposed 118-unit Senior Housing Project, to be located on Summit Avenue just east of the Christ the Life Lutheran Church, and have a discussion with the Plan Commission regarding the conceptual plan for the site.	

Details:
This is a consultation with the Plan Commission to discuss a proposed new senior housing development proposed by Tukka Properties for a 4 story 118 unit building on land along the south side of Summit Avenue on property currently owned by Christ the Life Lutheran Church to be located east of the church building and west of the Maple Way Subdivision. The proposed 4-story building will have underground parking along with a surface lot on site. Vehicle access to the site will be from Summit Avenue with a secondary driveway off the west end of Banning way. The building architecture will be a traditional residential style with gable and hipped roof lines. A one-story wing at the north end adjacent to Summit Avenue will accommodate memory care, while the rest of the building to the south will be 4 stories and accommodate assisted living and independent apartments. Units will have balconies, and lower-level units will have patios. Following this consultation with the Plan Commission the applicant will be hosting a neighborhood meeting to introduce the project to those interested, and provide an opportunity for further discussion.
