RE: Committee Appointments

Dear Mayor Reilly:

Thank you for considering me for an appointment to the Board of Review, the Ethics Board, and the Board of Zoning Appeals.

By way of background, I have lived in Waukesha since the age of 4 when my parents moved here to allow my father to begin his career as an oral surgeon with Oral and Maxillofacial Surgery Associates (OMSA). I grew up within walking distance of Merrill Hills Country Club. I attended St. Mary's Catholic Grade School and graduated from Catholic Memorial High School in 1991.

Following high school, I attended the University of Wisconsin—Madison completing my undergraduate degrees in 1995. I graduated, cum laude, from the University of Wisconsin Law School in 1999 and have been in private practice in the City of Waukesha ever since.

I currently reside in the City of Waukesha near Waukesha North High School. Both of my children attended the Waukesha Public Schools—Meadowbrook Elementary, Waukesha STEM Academy (for middle school for my son) and Butler Middle School (daughter) and Waukesha North High School. My son graduated in 2020 and my daughter is a current Sophomore.

Both of my parents built successful business in Waukesha. My father as an oral surgeon and my mother in her own law practice—D'Angelo & Jones, now D'Angelo & Grabow—which I took over in approximately 2010.

I am attaching a current resume for your information.

My husband, Bradley Davies, also grew up in Waukesha and his family has long roots within the community.
