Subject: JJ's Wood Grill (Mobile Restaurant) – Temporary Use Permit	

Details:

JJ's Wood Grill would like to operate a food trailer selling smoked meat sandwiches on the southeast corner of Delafield and Moreland. Their request is for 180 days. They want to test the market at this location as they are considering occupying a new multi-tenant building that has been in discussion for this site.

Executive Recommendation:

Staff does not want the full 180 days but would be comfortable with a shorter time frame such as 15-30 days. Any approvals would need them to demonstrate they have access to restroom facilities for their customers if they are providing any dining space on site. Staff would not support the use of porta-potties on the site. They also would need any required licenses from the Waukesha County Health Department.
