

PETITION FOR AMENDING

THE CITY OF WAUKESHA'S ZONING ORDINANCE

We, the undersigned, being owners of all or part of the area involved, humbly petition the Common Council of the City of Waukesha to rezone the following described property from M-3 to I-1.

Legal Description: See attached Certified Survey Map No 11200.

The reason(s) for the Rezoning Petition are:

The Waukesha Water Utility will be constructing a new Operations Center at this location. The purchase of this land from the previous applicant was completed on January 10, 2025. The rezoning from the current M-3 to I-1 will fit the land use type in a more appropriate manner, and not require a conditional use permit.

In addition, due to the large stormwater drainage easement on the property, the setback reduction from 40 feet until M-3 to the 25 feet required under I-1 zoning will allow for more complete use of the site for the water utility.
