Subject: Approval of Resolution Authorizing the Filing of the 2018 Federal Certifications and Assurances	

Details:
This item is to seek the approval of the resolution authorizing the Transit Manager to file the 2018 Federal Certifications and Assurances. This authorization is typically included in a grant authorization resolution but there are no new grant resolutions scheduled in the near future. Federal regulations require the certifications and assurances to be filed no later than 90 days past the posting date of the certifications and assurances. The posting date is expected to occur very soon.

Financial Remarks:

Executive Recommendation:
Recommend approval.
