Producer Full-Service Retail Sales Application

Who may apply for full-service retail sales?

Producer permittees may apply for full-service retail sales on or off the production premises. Producer permittees include brewers, rectifiers, manufacturers, and wineries.

Who qualifies for full-service retail sales?

- A brewery that manufactures a minimum of 250 barrels of fermented malt beverages.
- A manufacturer/rectifier that produces a minimum of 1,500 liters of intoxicating liquor.
- A winery that produces a minimum of 1,000 gallons of wine.

What are full-service retail sales?

Permittees that are granted full-service retail sales privileges may:

- Sell fermented malt beverages and intoxicating liquor at retail for on- or off-premises consumption at their production premises and at one or more off-site full-service retail outlets.
- Provide taste samples of fermented malt beverages and intoxicating liquor.

What are full-service retail outlets?

Full-service retail outlets are authorized locations for full-service retail sales at places other than the permittee's production premises.

What is the difference between a fixed and unlimited transfer full-service retail outlet?

Fixed full-service retail outlets may be transferred from one location to another once per year. Unlimited transfer full-service retail outlets may be transferred an unlimited number of times in a year. Only one of a producer's full-service retail outlets may be transferred without limitation on frequency.

How many full-service retail outlets may I have?

The number of full-service retail outlets a producer qualifies for is determined by alcohol beverage production volume. Producers may have a maximum of three full-service outlets, regardless of the number or type of producer permits they hold.

Who approves full-service retail sales?

Full-service retail sales on the production premises need only be approved by the Division of Alcohol Beverages. Municipalities do not issue licenses for full-service retail sales outlets; however, municipalities must approve of the outlets. The applicant must forward the municipal approval to the Division of Alcohol Beverages for final granting of the authority for sales to commence on the premises.

Can a municipality limit authorized sales at a full-service retail outlet?

Yes, a municipality can limit authorized sales at a full-service retail outlet. Municipalities may limit the scope of alcohol beverages offered for sale by the permittee. Municipal approval of a full-service retail outlet must be based on the same standards and criteria, established by ordinance, for the evaluation and approval of retail licenses. A municipality may not impose any requirement or restriction in connection with the approval that the municipality does not impose on retail licensees.

How do I fill out Form AB-105 and begin the application process?

Authorizations requested on Form AB-105 must be applied for only one premises in one municipality at a time. To request multiple authorizations, submit a separate Form AB-105 for each location/premises.

Parts A, B, and F: Applicants must complete Parts A, B, and F.

Parts C, D, and E: Complete only one Part. Form AB-105 must be used to request only one authorization at a time.

Example: A producer applicant requesting full-service retail sales authorization on the production premises should complete Parts A, B, C, and F.

Example: A producer applicant requesting a fixed full-service retail outlet should complete Parts A, B, D, and F.

Producer applicants requesting authorization in Part E must complete one Form AB-105 for each premises.
