3. Discussion and Recommendation re:

A. [ID#14-0164](#) That the lighting in Parking Lot 8 be increased for safety and liability reasons

Engineering Staff reviewed the lighting levels in the lot. During field review it was discovered that one set of parking lot lights were not working and the city garage was notified to repair. Also noticed a private parking lot light that was out. Light levels were taken, but at this time staff recommend to place this item on hold until the light have been repaired and then engineering will conduct another light reading.
