

## Project Proposal: Heyer Outdoor Classroom

<b>Project Type</b>	Construction; semi permanent structure.
<b>Proposal Date</b>	November 20, 2023
<b>Project Manager</b>	Emma Koeppel, School District of Waukesha
<b>Target Completion</b>	June 9, 2024
<b>Total Budget Est.</b>	\$12,000 Cost incurred by School District of Waukesha Environmental Education

### **Project Overview:**

The School District of Waukesha Environmental Education (SDW EE) is proposing the construction and project which entails the building and installation of a storage shed near the existing greenhouse and garden at the Fox River Sanctuary adjacent to the EB Shurts Environmental Education Center. This project will be completed by June 9, 2024. Construction of the shed has been completed, with installation occurring in the spring of 2024. This project will be paid for and work completed by The School District of Waukesha staff.

### **Project Objective:**

One of the primary focuses of the SDW EE program is our garden and embedded agriculture program.
