Subject: Approve No Overnight Parking November 1 – April 1 on the south side of Fulton Street from N. Hartwell Avenue to Lake Street.	

Details:
This item was brought forward by Public Works with endorsement from Ald. Helgestad. During winter months, this street becomes narrow with snow build up and becomes very difficult to completely plow. The issue is overnight parked vehicles are not moved in time to affectively clear the snow. This item would prohibit overnight parking in on the north side of this street during November to April.

The Building and Grounds Committee voted unanimously to approve this item.

Options & Alternatives:
None considered.

Financial Remarks:
If approved, it would cost \$150 to change out the signs. This would come out of the 2019 Building and Grounds Sign Budget (3310.54140).

Executive Action:
The Department of Public Works recommends approval of this item.

Committee Recommendation:
The Building and Grounds Committee approved this item at their March 4, 2019, meeting. This item will appear under the Consent Agenda for the March 19, 2019, Council meeting.
