Subject: Resolution for preparing plans and specifications and to advertise for bids for the construction of the W. Sunset Drive Pavement Patching and Diamond Grinding project.	

Details:
 The section of W. Sunset Drive between S. West Avenue to S. East Avenue consists of a concrete pavement originally placed in 1983. Over its life, the road has been maintained / rehabilitated with several concrete pavement patching projects throughout the years. To further extend the life of the pavement along this section of Sunset Drive, the project will remove and replace approximately 8,000 square feet of concrete pavement and blanket diamond grind the driving lanes to provide a smooth driving surface.
 The pavement on W. Sunset Drive east and west of this section are newer and in good condition.

Options & Alternatives:
 To not complete the W. Sunset Drive Pavement Patching and Diamond Grinding project and reconstruct the segment at a higher cost in the future.

Financial Remarks:
 Estimated Construction Cost: \$200,000
 Use funds available in Acc#2004.68290 from 2017 project carry over

Executive Recommendation:
 Approve the Resolution for preparing plans and specifications and to advertise for bids for the construction of the W. Sunset Drive Pavement Patching and Diamond Grinding project
