<b>Subject:</b> Approval of Elimination of Bus Stops	

**Details:**  
This item is to seek the approval to eliminate the bus stops listed below. The bus stops being proposed for elimination have low ridership, other stops in close proximity and not ADA accessible.

Route 5  
Burr Oak Blvd. at Chapman Dr (south side of street)

Route 6 & 5/6  
W. Sunset Dr. west of Oakdale Drive (south side of street)  
Woodfield Park opposite to 128 Cambridge Ave.

Route 7/8  
Michigan Ave. at Greenmeadow Dr.

**Options & Alternatives:**  
The only alternative is to keep the stops but it is unnecessary to do so as the stops have low ridership and have other stops in close proximity. In addition, none of these stops are ADA accessible.

**Financial Remarks:**  
The cost to remove the bus stops is minimal. In the long term there is a savings as there are fewer bus stops and the City does not have to incur the cost of adding bus stop pads to make these stops accessible.

**Executive Recommendation:**  
Recommend approval.
