1.0 Scope of Services

RouteMatch Software, Inc. has offered to present this cost proposal based on the following scenario: Waukesha Metro Transit has requested a cost proposal for one (1) LCD monitor to provide real-time passenger information with the existing RouteMatch system, currently utilized by Waukesha Metro Transit.

The proposal assumes that Waukesha Metro Transit will provide all necessary network and power connections, as well as installation of the devices. RouteMatch personnel will assist remotely, as needed, to ensure compatibility with the RouteMatch solution.

2.0 Cost Proposal

Product Name	Quantity	Fee
HARDWARE		
LCD Sign (55")	1	\$2,520
LCD Sign – Mounting Equipment	1	\$286

2.1 Pricing Notes and Assumptions

- This is a cost proposal, requested by and provided to Waukesha Metro Transit. It is based upon the information known to RouteMatch Software, Inc. at the time of this proposal and is subject to change in the event of material differences in the information used to form the proposal.
- RouteMatch will not provide onsite installation services, Waukesha Metro Transit will install the LCD signs and mounting equipment. Which includes verifying structural integrity and providing power to the sign.
- Applicable shipping costs will be included once the equipment is shipped to Waukesha Metro Transit.

3.0 Acceptance Page

This Addendum constitutes an addendum to the original software license agreement between Licensee and RouteMatch (the “original license agreement”) and supersedes all previous agreements and understandings with respect to the subject matter hereof. Unless expressly modified herein, all of your rights and obligations under the original license agreement remain in full force and effect. If any part of this Addendum is found to be void, unenforceable or invalid, it will not affect the other provisions of this Addendum or the original license agreement. You may not assign, transfer, or sublicense this Addendum (or any rights or obligations hereunder), or any rights to use any software or hardware described herein, without RouteMatch’s prior written consent.
