<b>Subject:</b> Install cross walk markings on the north and west legs of the intersection of Rempe Drive and Penhurst Way. Install crosswalk warning signs on the north leg of intersection.	

**Details:**

This item was referred by Public Works and requested by a concerned resident and supported by Ald. Cummings. The request is to paint crosswalk marking on Penhurst Drive on the west side of intersection with Rempe Drive and also paint crosswalk markings on Rempe Drive on the north leg of intersection. These crosswalk markings will bring a more visual awareness to drivers who predominantly drive from Rempe to Penhurst and vice versa. Since the Rempe Drive does not stop, the crosswalk on the north leg would be enhanced with Pedestrian crossing signing. Public Works staff supports installation of these crosswalk enhancements.

The Committee voted unanimously to approve this item.

**Options & Alternatives:**

None

**Financial Remarks:**

The cost to add the pedestrian signing and markings will be \$160.00 and covered by the 2018 B&G Sign Budget (3310.54141)

**Executive Action:**

If approved by Council, the resolution for approving the installation of these signs will need to be executed by the Mayor and Clerk after the Council Meeting.

**Committee Recommendation:**

The Buildings and Grounds Committee approved this item at their May 14, 2018, meeting. This item will appear under the Consent Agenda for the June 5, 2018, Council meeting.
