| <b>Subject:</b><br>Approve the installation of a stop sign on Waterview Lane at Market Place. |  |

**Details:**

Referral was made by Public Works with endorsement by Ald. Manion. Staff has been working with residents on Market Place to address a speeding issue. Some local drivers are speeding on Waterview Lane and Market Place. Public Works has already placed some speed limit signs on Market Place and we also feel that a stop sign is needed on Waterview Lane to bring drivers to a stop before entering onto Market Place. Without a stop there, drivers tend to speed around that corner without yielding or slowing. Staff recommends approval of a stop sign on Waterview Lane at Market Place.

This item was discussed at the B&G meeting and approved unanimously.

**Financial Remarks:**

The resolution for approving this stop sign installation will need to be executed by the Mayor and Clerk after the Council Meeting

**Committee Recommendation:**
