Subject: Review and act on the Contract for Design and Construction Services for Artificial Turf Installation for Frame Park Baseball Diamond and Mindiola Soccer Field.	

Details:
In 2019 the conversion of an existing Mindiola Soccer Field to artificial turf was approved and in 2020 the conversion of the existing Frame Baseball Diamond to artificial turf was approved. The Department of Public Works solicited proposals from qualified architectural firms to plan, design, and develop construction plans and specifications including construction oversight services to replace the existing grass fields with Artificial turf for the Mindiola Park Soccer Field, and the Frame Park Baseball Field, in the City of Waukesha. The request was sent to 8 architectural firms and 5 responded with proposals. The City's review team, consisting of Park Recreation and Engineering Staff, reviewed the proposals.

Options & Alternatives: The other architect could be chosen, but JSD Professional Services, Inc. is recommended due to their experience and expertise along with the cost considerations.

Financial Remarks: Account No. 5571.68290 \$106,020.00
