Subject: Minor Site Plan & Architectural Review - 401 E. Roberta Avenue - Waukesha South High Stadium Improvements – A request to approve stadium improvements to include new bleachers on both sides of the field as well as two new storage buildings to replace the 4 wood structures currently located northwest and southwest of the football field.	

Details:
Waukesha South High School is proposing replace the current bleachers at the football stadium with new bleachers on the south side of the field and double side bleachers on the north side to offer viewing of track events as well. Other improvements include a new ADA access to the south bleachers, additional pavement, and two new storage shelters to replace 4 existing ones that will be removed.

Options & Alternatives:
