Therefor the "aggressive dog" remains kenneled through out the day when not training and is let out separately to use the bathroom.

All dogs that book with us are required to be fully up to date on all shots for their age. We do not accept any dog under the age of 5 months (Maturity-Vaccine Requirements)

Regular Night time:

Board and train dogs will be kenneled at night time when they cannot be supervised 100% of the time. Dogs are kenneled at night time for the safety of them selves and the house. (Guidelines from Insurance company- Stated in our contract as a company policy) Board and train dogs have access to white noise machine, and scent diffusers to help with anxiety, this helps assure for nice peaceful nights of sleep.

Cleaning and Care:

Yard Pick up is Weekly

Kennel Cleaning is also done Weekly-Unless a dog has an accident then kennel is cleaned upon incident.

Kennel area is Cleaned weekly

Dog Water Bowls and Food Bowls are cleaned every other day. Food and Water bowls also washed and soaked with 140+ degree water to kill all living and present bacteria.

Products and Services:

1 Week Board and Train: This is our freedom package, it is named that because at the end of the 1 week the dog will be able to come, sit, place, off, and break. With those commands in place the owner will be able to rest assure when they bring their dog to the dog park or if they have them off leash in their own yard.

2 Week Board and Train: This is our most famous training service, in this program the dog will gain the ability to demonstrate come, sit, down, place, heel, off, and break. Those commands at the end of the two weeks will all be able to be done completely off leash in any location we train(Only if the Location Allows Dogs to be Offleash).

To whom it may concern:

Writing on behalf of my neighbor Phillip.

- I reside at 139 Wilson Ave my name is Sally Stieglbauer, I am aware of the dog training business run by him, and have never noticed any excessive barking.

There are many dogs residing in the neighborhood. Dogs bark it's a fact - I have had to work from home for most of this year due to Covid 19. I have been at home regularly this year. My son works 3rd shift and hasn't had a problem -
