The display consists of two lockable, glass-enclosed cabinets with internal measurements: 35" wide x 75" tall x 10" deep. There is a combination of 10 shelves total.

A request for reservation implies that both cases will be used to exhibit. Scheduling is determined by a panel of the Administrative Team and Chair of the Public Art Committee as time and space permit.

- Guidelines:
 - Primary use of the display cases is reserved for Waukesha Public Library. When not in use by the Library, the cases are available for non-profit and noncommercial exhibits or collections.
 - Individuals and community organizations may use the display cases for presentations of an educational, civic, cultural or artistic nature.

- Parameters:
 - The name of the organization or individual must be included in the display.
 - No display materials may be left anywhere in the Library in preparation for the setting up or removal of a display.
 - The Library is not in any way involved in the sale of any exhibit item. No prices or price list are to appear with the exhibit, nor will Library staff give any indication of an item's value.
 - The Library assumes no liability in the event of damage, destruction or theft of a display.
 - Use of display cases is intended for patrons of Waukesha Public Library with library cards in good standing.
 - Approval of a display does not constitute Library sponsorship of an organization, endorsement of a particular point of view, or support of the activities promoted by an organization or individual.
 - Groups or individuals shall not display harassing, defamatory, or threatening messages or graphics which may reasonably be construed as obscene as defined by the law. The Library reserves the right to determine the acceptability of the content and appearance a display.

- Set Up and Removal:
 - Placement and removal of exhibits will be the responsibility of the exhibitors and may be conducted only during regular library hours.

- Groups must have their display completed by the first week of the month and taken down before the end of the month.
- Set up and removal must take place in as concise a time as possible.
- Reservations:
 - Reservations will be accepted by completing the “Public Display Case Reservation Request Form” up to 12 months in advance on a first-come first-served basis.
 - A panel of the Administrative Team and Chair of the Public Art Committee will review all applications and make a recommendation to the Library Director. Final approval rests with the Library Director.
 - Groups or individuals may only exhibit once a year to give fair and equitable access.
 - Any group not adhering to the provisions set forth in this policy will have their display removed and will be denied use of the display cases in the future.
