9. Check One:
  - New Project
  - Continuing previously funded project

10. Provide a brief description of your experience in managing a similar project.

The City of Waukesha Landmarks Commission's goal is to protect, enhance and perpetuate the City of Waukesha's cultural, social, natural, economic, political and architectural history as embodied and reflected in its improvements, landmarks, landmark sites and historic districts. The Commission's two major functions are approving any exterior work on landmarks and properties within historic districts (Certificate of Appropriateness) and administering the Landmark

11. Describe the role specific staff will have in this project. Who will be responsible for managing the project, reporting to Community Development, preparing invoices, etc.?

The Community Development Department runs the Landmarks Commission Paint and Repair Grant Program. The program administrator is Charlie Griffith, Associate Planner. He will be responsible for project management, reporting, invoicing, etc.

12. Provide a concise description of the proposed project.

Financial and administration/design assistance to owners of qualified historic properties in the care and maintenance of their properties. Assistance is primarily targeted to halt and eliminate blight and decay threatened residential historic properties. As historically and architecturally significant properties age, blight and decay can set in. The LCP&R program is designed to assist historic residential property owners with the proper care and repair/restoration of these valuable community assets. In order to be eligible for this program, the Historic properties must also fall within the 'LMI Eligible Areas' as identified by Waukesha County including census tracts +

If the proposed project is a rehabilitation / ADA / historic rehabilitation of a facility or business, please answer the following:

Various properties throughout Waukesha's Historic Districts and Local Landmarks  
13. Address of Facility: \_\_\_\_\_

Varies. All properties are at least 50 years old.  
14. Year it was built \_\_\_\_\_

15. Is the property on a local or national list and/or registered as a historic property?

- Yes                       No                       Don't Know

16. Select how your project will serve Low and Moderate Income People (Choose one if applicable):

Benefit to LMI **individuals** (at least 51% of total beneficiaries of program must be LMI and income information must be gathered from all participants)

**Presumed Benefit** (all individuals served in the program qualify as low income because of the type of population served, i.e.: Elderly, Severely Disabled Adults , Abused Children, Battered Spouses, Homeless Persons, Illiterate Adults , Persons with AIDS, Migrant Farm Workers. Income information does not have to be collected.)

Benefit to an **area** that is primarily residential and is located in an eligible census tract (at least 30.34% of residents are LMI). See instructions for a list of eligible census tracts.) Provide list of census tracts:

Housing units created to benefit LMI individuals or households (every CDBG funded unit must be occupied by and LMI individual or household)

Jobs created to benefit LMI individuals (1 job must be created for every \$35,000 of CDBG funds invested in project; 51% of all jobs created must be for LMI individuals)

Project serves residents of a **NRSA** and agency is a certified CBDO. Provide name of NRSA:  
[Click here to enter text.](#)

Project addresses conditions of **Slum and Blight** on an Area or Spot Basis. Must provide designation of Slum and Blighted area from jurisdiction when contract is signed, and addresses of affected properties.

ADA Rehabilitation of a public facility or public improvement

Historic Preservation of residential or commercial properties. Must be designated on a spot slum and blight basis or homeowner or business must qualify as low income.

**17. Describe the need filled for your program or project.**

The LCP&R program is designed to assist historic property owners with the proper care, repair, and restoration of these valuable community assets so that they continue to provide for local business, industrial, and housing needs in the oldest areas of the City. Many of the Historic properties also fall within the 'LMI Eligible Areas' as identified by Waukesha County. These homes are attractive to lower income and first time homebuyers because they are usually smaller, on smaller lots, and are often in need of repairs. Landmark properties are required to obtain a Certificate of Appropriateness from the Landmarks

+

**18. Describe two anticipated measurable outcomes for your proposed project and activities.**

The most obvious measurable outcome is the number of homes and other historic structures that are rehabilitated using these funds. By providing a matching grant the City is making it more economically feasible to do costly home repairs and restoration. The program also has indirect or “domino” effects. Once one historic property owner completes his/her repairs, their neighbors are frequently induced to paint or repair their homes in order to “keep up.” Then the next homeowner on the other side may feel the same way and do the same thing, etc. The other measurable outcome is amount of money invested into these projects. Our grant funds often only make up a small percentage of expensive historic preservation projects

## Appendix A: Results of Prior Year Projects

**20.** Was your department able to spend the CDBG allocation awarded within the calendar year? (Provide explanation for any extensions into the next year for 2018)

The Landmarks Commission allocated all 2018 funds by the end of the year. However, due to abandoned projects in previous calendar years the Landmarks Commission had \$5,285.00 left over in the 2018 account. It received an extension until June 1st, 2018 to spend the money.

**21.** Has your department had any CDBG funds reprogrammed (taken back) by the CDBG Board? (Explain for 2018)

Landmarks has not returned any money from Paint and Repair Grants, but has had funds for projects extended into the next calendar year.
