Subject: To review the crosswalk and intersection of Michigan Avenue and Hyde Park Avenue.	

Details:
10/2/2023. This item was brought forward by Ald. C. Payne as a referral to review the crosswalks and intersection of Michigan Avenue and Hyde Park Avenue. This intersection is slated to be reconstructed in 2028 at which time all the pedestrian crossings will be improved and made ADA compliant. Engineering staff have reviewed this request and recommend to only enhance the crosswalk markings as the pedestrian crossings will be improved in 2028.

Options & Alternatives:
None

Financial Remarks:
The cost to enhance the three (3) crosswalks would be around \$300 and covered by the 2023 Building and Grounds Sign Budget (3310.54140).

Executive Recommendation:
The Department of Public Works recommends updating the crosswalks at the intersection of Michigan Avenue and Hyde Park Avenue to the City's typical enhanced crosswalk detail.
