Subject:
Review and Act on a request by the police department to accept the donation of an armored utility vehicle (Humvee) from the Wisconsin 10-33 Program.

Details:
The Police Department is seeking the Finance Committee and the Common Council approval to accept an armored utility vehicle (Humvee) from the Wisconsin 10-33 program. The vehicle would be used at high risk incidents to protect officers and citizens. This armored vehicle would be in addition to our current ER-50 (MRAP) we received from the 10-33 program. This vehicle is smaller, more maneuverable, requires very little training to operate, and can be brought to a scene in much less time. A detailed description of the vehicle is below:

Model: M1114 HMMWV
Year: 2010
Mileage: 802 miles
Engine: 6.5L Detroit Diesel, Turbo Charged
Max Speed: 55 MPH
Weight: 12,100 lbs (MRAP: 46,000LBS)
Length: 190.5 inches 15.8 feet (MRAP: 257 inches, 21.41 feet)
Width: 85 inches (MRAP: 96 inches)
Height: 72 inches (MRAP: 122 inches)
Army Price: $192,513
Personnel Capacity: 4 seated personnel, 1 observer in an armored 270 degree hatch.

Armor: Up to 7.62mm armor piercing rounds, 12 pound anti-tank mines.
Water Rescue Capabilities: Can ford up to 30 inches of water.

Options & Alternatives:

Not accept the donation of the Humvee and hope we can utilize the ER-50 for all necessary high-risk incidents.

Financial Remarks:

There is no cost for the Humvee. Maintenance and a delivery fee will be minimal, and will be paid for out our vehicle maintenance account (2155.52410), with no increase necessary.

Executive Recommendation:
The City Administrator recommends approval.
