Re: Correction to Contract for Rosemary Street Utility and Street Improvements, dated April 21, 2015.

Dear Mr. Tomasini:

We recently discovered that in the contract between the City and your company for the Rosemary Street project, the Schedule of Prices from another bidder was mistakenly inserted into the exhibits to the contract, instead of the schedule you submitted with your bid.

We will of course honor your Schedule of Prices, and will insert it into the contract exhibits in place of the incorrect one. However, we need your company's consent to do so. Please sign below and fax or email (jbrazelt@ci.waukesha.wi.us) this letter back to us to indicate your consent to the substitution of the Schedules of Prices. We will send you a copy of the corrected contract.

We apologize for this error. Please call if you have any questions.

Sincerely,

Judy Brazelton
Administrative Assistant

D.F. Tomasini Contractors, Inc., consents to the removal of the incorrect Schedule of Prices from the contract for the Rosemary Street Utility and Street Improvements, and its replacement with the Schedule of Prices submitted with D.F. Tomasini's bid.
