Fouquart AC Install – 1120 E Broadway

Bryant Legacy Compressor – Outside.

- Installed 2/3 back on least viewable side of house from street, near already installed radon extraction pump and piping.
- Use hide-a-line to cover AC line set to attic. Looks like gutter.

Bryant Legacy Fan Coil Unit In Attic

- Drop down to 2nd floor (and first floor if needed).
- Avoid additional mini-split units on 1st floor as recommended by other vendors.
