Subject: Discussion and Recommendation: Evaluate enhancing the crosswalk with flashing solar signs at the Waukesha Springs Park crossing on Hartwell Ave and possibly teaming with Parks and Rec for funding and planning.	

Details:

Referral was made by Ald. Helgestad. Activity would involve installing upgrading the crosswalk visibility by adding solar powered flashing signs.

Options & Alternatives:

Discuss whether to approve this request.

Financial Remarks:

. At this time, it is undetermined how much installing these type of signs might cost. Our preliminary estimates might place the cost at \$5,000 to \$8,000. Therefore, this item cannot be paid for out of the B&G portions of the signing budget. This would have to be paid for out of some other budget. The B&G committee can approve the upgrade pending on finding a funding source. Ald. Helgestad suggested working Parks & Rec to seek funding.
