Project Narrative

Project: Kwik Trip Store #184
2001 Golf Rd
Waukesha, WI

Kwik Trip Inc is requesting Site Plan review and approval for a proposed addition of four (4) EV charging stations and light pole relocation on their existing site located at 2001 Golf Road in the City of Waukesha (WAKC0947002001). The parcel is zoned M-2 and the existing use is a convenience store and gas station and will remain as such in the proposed condition. The proposed project is a permitted use.

The proposed project involves construction of four (4) EV charging stations and associated equipment on the NE side of the property. This project will also include relocating an existing light pole and adding a new light pole to provide sufficient lighting for the new stalls.
